

DIRECTORATE OF INFORMATION COMMUNICATION TECHNOLOGY (D.ICT)

START A CAREER IN IT
JUNE 2026 INTAKE NOW OPEN – Cisco CCNA Training
Limited seats – **Register now**
Ideal for: University Students | Graduates | Companies

WHY TRAIN FOR THE CISCO CCNA CERTIFICATION?

Employers in Zambia are actively hiring networking professionals. This globally recognized certification equips you with practical, job-ready skills, whether you're starting or advancing your career.

- No experience? No problem.
- Stuck in a low-growth job? This is your way forward.
- Need skilled staff? Train your team with us.

WHAT YOU WILL LEARN

- Routing, switching & network security
- Hands-on lab experience
- Real-world troubleshooting skills
- Preparation for roles like Network Technician, Network Engineer, IT Support & Network Administrator

WHO THIS IS FOR

Students – Stand out before you graduate
Graduates – Turn your degree into a job
Companies – Upskill your IT team

CERTIFICATION	TUITION (External)	TUITION (CBU Students)
